Nuralai School | AI Certificate Generator

International Legal Recognition & Accreditation

Nuralai School issues certificates that are:

- Internationally recognized by governments and educational institutions worldwide

- Fully compliant with accreditation bodies such as:

  - CPD Certification Service (UK)

  - ASIC Accreditation Service for International Schools (UK)

  - EduQual (UK Ofqual-aligned framework)

- Designed with secure digital signatures, timestamps, and tamper-proof QR verification

- Compliant with GDPR and ISO/IEC 27001 data protection standards

Examination & Payment Policy

- Students must pass mandatory exams assigned per course before certificate issuance

- Payment for courses and certification is processed via international bank transfer only

- Payment details are kept confidential and are never printed or embedded on certificates

- Certificates are issued only after successful exam completion and payment confirmation

Certificate Copyright & Watermark

- Every certificate includes a semi-transparent watermark:

 © 2025 Ervin Remus Radosavlevici - Nuralai School

- Footer contains copyright info:

Security & Compliance

- Immutable logs securely store issuance and verification history

- Certificates include digital signatures and timestamps for authenticity

- Public verification portal allows easy validation of certificates
